Legislative Update, December 10, 2003

State Bill #	<u>Ohio</u> S.B. 4360
Intro. date	11/12/2003
Subject	Would bar libraries from receiving any state funding unless it enforces the “R” rating for video loans. Also, libraries must install filtering software or use an ISP that provides filtered access to block “harmful to minors” material if computer is accessible by minors and for “obscenity” if computers are accessed by adults. The filters can be disabled for bona fide research.
Committee	Judiciary and Criminal Justice Committee
Status	On committee agenda for either 12/2 or 12/3.
Still active	Yes
